Dear Customer:

RE: FAIRLINGTON GREEN CONDOMINIUMS,

Please allow me to introduce myself – I am the Customer Advocate for the Office of the Commissioner of Revenue in Arlington County. The Commissioner of Revenue, Ingrid H. Morroy, has tasked me with the responsibility of reaching out to citizens and businesses to ensure they are aware of their rights and responsibilities involving the Commissioner's various services and tax programs.

Arlington is the first county facility in Northern Virginia to house a DMV Select office. This "one stop shop", operated by Commissioner of Revenue Ingrid H. Morroy and Treasurer Frank O'Leary, allows Arlingtonians to file applications for titling and registration of motor vehicles in one place, automatically notifying both the State and the County in a single transaction. To access these DMV services, anyone can come to the Arlington County Government offices, located on the second floor at 2100 Clarendon Blvd. at Courthouse Plaza. Conveniently located on the Metro's Orange Line [Courthouse station], the office is open from 8 a.m. - 4:30 p.m., Monday through Friday.

Enclosed please find several brochures and a DMV Select flyer, written in both English and Spanish, for your review. If you are interested in receiving additional copies of any of these publications for distribution to your tenants or owners, please contact me at the email address or phone numbers listed below, or visit my office at 2100 Clarendon Boulevard, Suite 200.

For more information about all the services provided by the office of the Commissioner of Revenue, please visit our bi-lingual website at [www.arlingtonva.us/cor](http://www.arlingtonva.us/cor).

Sincerely,

Christina Uriarte  
Customer Advocate
