

MANAGEMENT RESOURCE CENTER
HOMEOWNER
LINK *Elite*

FAIRLINGTON MEADOWS

Homeowner Link *Elite* is an upgraded, high-tech messaging system used for community association communication. Registering your information enables you to be notified of emergencies, events, storm warnings and to receive other messages from your homeowners association. Please fill out this form and return to Dwayne Frazier, your association manager at CMC. Dwayne e-mail address is:

dfrazier@cmc-management.com

First Name: _____

Last Name: _____

Street Address: _____

E-mail Address: _____

Home Phone: _____

Cell Phone and Provider: _____

Other Phone: _____

By registering in the Homeowner Link Elite system you are acknowledging that you are either the property owner for the address submitted or that you have specific authority from the property owner to register. You acknowledge that it is your responsibility to provide accurate contact information, to maintain that information and to request from your management company that your profile be removed from the system should you no longer be a property owner, or have permission from the property owner to be registered on the system, or if you do not approve of these terms of use. You further acknowledge that neither Management Resource Center, VOLO, your management company, nor your association have any liability regarding this messaging service.
